Raymond-Knowles Union Elementary School District is working tirelessly to prepare learning resources for our students to prevent learning loss during the school closure. Thank you to our families who have completed the learning resource survey that was sent out yesterday through email, text message, district website, and Facebook. If you have not completed this survey, please do so as soon as possible.

Teachers will be available DAILY, Monday through Friday, to meet in a digital classroom with students. Students can log in to the meeting to receive help with any subject. If your child would like to access this meeting, have them check their email, google classroom, or seesaw for a link to join the digital meeting (via Google Hangout, Zoom, Duo, etc.). The following times have been scheduled for teacher's digital classroom meetings:

9:00 am - 10:00 am, Mrs. Tune

10:00 am - 11:00 am, Mrs. Comstock

11:00 am - 12:00 pm, Mrs. Stevenson

12:00 - 1:00 pm, Ms. Haley

1:00 - 2:00 pm, Mrs. Salazar

During our school closure, we will provide families the opportunity to receive a packaged lunch for that current day and breakfast for the following day for all children ages 0 to 18. This program will be available in a drive-thru, pick-up format to enforce social distancing in an effort to reduce the risk of COVID-19. It will begin **Wednesday, March 18, 2020, from 11:00 am - 12:00 pm**, and continue every subsequent Monday through Friday at Raymond-Knowles Elementary School. Free meals will be available to anyone in the community ages 0 to 18, regardless of what school they attend. No paperwork is required. Children must be present for meals to be provided.

Teachers and administration are checking emails three times a day to support our students and families through this difficult time.

Thank you for your patience and support through this difficult time.
